<p>Removal goods</p>	<ul style="list-style-type: none"> OBL or AWB. Fully completed Customs Form B534. (Version 6/00 only). Scanned copies are OK in all States however electronic signatures will not be accepted. Passport ID and signature page/s required for clearance and signature on the B534 must match passport. Any changes must be initialled. A blank copy of the current Unaccompanied Personal effects Statement (B534 form) can be downloaded from the Australian Customs website at http://www.customs.gov.au/webdata/resources/files/b534.pdf. Inventory of goods in English. Owner-packed goods require list of contents (in English) from owner. Copy of Identification page and Visa from owner's passport. NOTE: Passport photo page of owner of goods who is completing B534 is required. Passport photo page of other persons travelling with owner are not required. Full name and Australian residential address of Owner must be provided 	<p><u>Who may import Unaccompanied Personal Effects Consignments into Australia :</u></p> <p>Returning Australian citizens or non-citizens with long stay/permanent residence visa only who are entering Australia to take up residence after a period of residence of more than 12 months outside Australia. Unless the shipment qualifies to be considered as Unaccompanied Personal Effects, then it will be subject to formal entry, tax and duty.</p> <p>Duty free entry provided removal goods consist of household and personal effects which have been owned and used for 12 months or more preceding owner's departure for Australia.</p> <p>All household and personal effects entering Australia are subject to a physical examination by the Department of Agriculture (DOA). This examination is conducted at DOA approved premises and will cause delays of up to 14 working days after the arrival of the consignment into Australia. The Quarantine examination also means that full containers cannot be delivered direct to the importer's residence in Australia.</p> <p>Items of interest to Dept of Agriculture include all items that may have come into contact with soil and vegetation such as gardening</p>	<p>The customs B534 may be completed by the owner abroad prior to the shipment of his goods, or in Australia upon their arrival. Original customs forms are not required for clearance purposes. All sections must be completed and each page signed and dated.</p> <p>The owner's goods may be cleared through customs in advance of the owner's arrival.</p> <p>In all states, the Australian Customs Service require a photocopy of the ID and Visa pages of the importer's passport. Under some circumstances the importer may be required to submit copies of all pages of their passport, including both front and back covers.</p> <p>Australian Customs require all cargo to be reported to customs before the goods arrive. The specified time frame for reporting sea shipment is 48 hours prior to arriving at the first port of call in Australia, and no less than 2 hours before an airfreight shipment arrives at the destination airport. Failure to do this will result in the consignee being fined by the Australian Customs Service. Please ensure pre advice notification including owner's full name and Australian residential address together with all documents are sent to the consignee in sufficient time to allow the correct reporting to be completed.</p> <p>Further information can be obtained from the</p>

Goods	Documents required	Customs Prescriptions	Remarks
	<p>to obtain clearance. Please note a Post Office Box or Business address is not acceptable.</p> <p>If importer has been in Australia longer than 12 months, it may be required to clear the consignment via a formal Customs Entry.</p>	<p>equipment, bicycles, scooters etc, sporting and camping equipment e.g. golf clubs and buggies, cleaning equipment, brooms, mops, vacuum cleaner waste bags and the like. These items should be thoroughly cleaned before despatch.</p> <p>Please note however prior cleaning and other treatment (Fumigation, steam cleaning etc.) does not ensure automatic clearance. DOA will order further treatment if in their opinion the items being imported present a quarantine risk.</p> <p>Please also be conscious of festive decorations and wreaths containing dried vegetable matter, including pine cones and the like. If imported these items will be subject to further treatment or destruction. Further information is available at http://www.agriculture.gov.au/travelling/moving-immigrating</p>	<p>Customs fact sheet at https://www.border.gov.au/Busi/Impo/Send</p> <p>All personal and household effects consignments are subject to Quarantine examination and fees. The fees cover DOA Inspectors' attendance and entry processing, removalist's costs of licensing, software, administration, audit compliance, warehousing as well the unpacking and repacking items designated for inspection. Fees should be obtained from your designated Australian destination agent in advance.</p>
Diplomat's removals	<ul style="list-style-type: none"> • OBL or AWB • Original Customs Form B615 completed by Embassy/ Consulate in Australia. • Inventory of goods • Copy of ID page of Passport 	Duty free entry	Subject to Quarantine examination and inspection fees. Some Australian Ports of Arrival will require letter of authority on Diplomatic Letterhead to allow Quarantine examination.
Inheritance, Deceased Estates	<ul style="list-style-type: none"> • Copy of will or certified relevant extract of will. 	Duty free entry provided legatee is permanently domiciled in Australia and will	Bequeathed goods are required to be formally entered through Customs (additional charges
